

## The *Royal Restroom* Three Stall Shower Unit

Weddings

Disaster Relief

Corporate Functions

Government Contracts

Business Remodels

Fundraisers

VIP Events

The Three Stall Shower Unit was designed specifically for use in disaster relief situations. It is also ideal for large scale outdoor overnight events.

Three unisex stalls are included in this unit.

While connected to a water supply, this unit can provide 450 hot showers.

*After Hurricane Katrina, our entire infrastructure was in shambles. We called Royal Restrooms to provide our dedicated emergency workers with portable, hot showers. To say they were a welcome sight is an understatement!*

*~Christy,  
New Orleans*

Length: 20'  
Width: 12'  
Height: 10' 6"
